SKILLS

- **Programming languages** - Java, Kotlin, C++, Go, Python, Rust
- **Frameworks** - Userver, Android, IntelliJ Platform
- **Tools** - Git, Gradle, Bash, CMake, Docker
- **Languages** - Russian (Native), English (C1), German (A2)

EXPERIENCE

JetBrains (IntelliJ IDEA) Munich, Germany
Software Engineer *Sep. 2023 - Present*
- Implemented the feature of publishing/downloading custom SSR inspections through the Gradle
- Added some custom inspections for JVM languages

Yandex (Drive) Moscow, Russia
Android Engineer (Internship) *Jul. 2022 - Oct. 2022*
- Improved the feature of cleaning up space on the phone for photos uploaded to the cloud
- Provided cancelability of some application processes

PROJECTS

IPONWEB UserverX
Java, Algorithms and Data Structures *Jun. 2023*
Optimizations for the targeted advertising engine

L compiler
Lama *Apr. 2023*
Development of a compiler for custom programming language

Tinkoff graduation project
Kotlin, RxJava2, Retrofit, MVI, Material Design, Navigation Component *Jun. 2022*
Custom mobile client of zulip work messenger

EDUCATION

Neapolis University Pafos (sponsored by JetBrains)
Bachelor of Applied Computer Science *Jan. 2023 - Jun. 2025*
Relevant courses:
Distributed Systems, Computer Architecture, Operating Systems, C++ Programming, Algorithms and Data Structures, Compilers

Higher School of Economics
Bachelor of Software Engineering *Sep. 2021 - Jan. 2023*
Relevant courses:
Linear Algebra, Discrete Mathematics, Calculus, Software Design, Probability Theory, Software Engineering, Databases, C++/C# Programming

ADDITIONAL EDUCATION

- **Yandex Academy** - School of backend development (C++) *Jun. 2023 - Aug. 2023*
- **JetBrains Academy** - Kotlin developer *Oct. 2022 - Jan. 2023*
- **Tinkoff Fintech School** - Android kotlin junior course *Mar. 2022 - May 2022*
- **Tinkoff Generation** - Algorithms and data structures *2020 - 2021*
- **Samsung IT school** - Android java course *2020*

ACHIEVEMENTS

- All-Russian Olympiad in Informatics, top 1% of over 50000 participants *2021*
- All-Siberian Open Olympiad for schoolchildren, prize winner *2021*
- All-Russian Team Olympiad in Programming, prize winners *2021*
